6:45 a.m. breakfast meeting - Sportsman (provide another meeting option for potential Lions Club member and another chance to gather and enjoy each other's company and have breakfast). I would like to see at least 15 of us and potential new members at this breakfast meeting. Remember: potential members - our club will cover the cost of their first meal. I will send out another reminder, so I can get a head count for Lion Terry Hurd.
- Clark Co. Fair Staff Update on the Fair: Brief review of data by Dean - who attended the meeting of vendors this past week Discussion .
- Lions Food Booth: Brief review - financials - (we need to have a separate meeting of the fair committee to do a more in depth review - this needs to be scheduled in October)  
\* Winterize Fair Booth -
- Walk N Knock: Missy and Megan are stepping down from the roll that Missy had for 22 years. Really need to have a Lion step forward as lead. This is not a difficult position. It requires attending a few meetings between now and the first Sat. in December and being the logistical lead on Saturday, December 2nd - the day of the Food Drive. Lion Missy will mentor and help make this year another success venture: She has all the systems in place. S.W. Washington's food drive brings in approximately 250,000 lbs of food each year, which goes to all the food banks in S.W. Washington. Please give me a call if you are willing to take a lead or want to learn more. 360-887-0824
