

Casino Night

Ridgefield Lions are hosting another fun Casino Night, Saturday, February 17, from 7-10pm at the Ridgefield Community Center. This is open to anyone over 21. Last year, the Ilani dealt all our games and had teaching tables for those that wanted to learn Craps, Black Jack and Roulette, and they will be back again this year. Cost is \$25 per person, all inclusive for light food, drinks and money for play. There will be prizes and a whole lot of fun. Last year we had a hundred people attend and everyone still had a place at a table. Come meet our members and join in some fun with us. The Lion's are individuals that volunteer to support community events and Ridgefield students. The Lions Motto is: "WE SERVE" www.ridgefieldlions.org
